Chicago, IL ([PRWEB](#)) October 25, 2016 -- Celergo, the leading fully-managed international payroll solution, today announced they would be the American Dream sponsor at the 2016 Passport to Possibilities Awards & Gala, October 27, in Chicago.

Upwardly Global helps highly educated, but underemployed new Americans rebuild their lives and careers in the United States, simultaneously filling critical talent needs in finance, engineering, IT, healthcare, and beyond. In addition, their programs engage the employees of Fortune 500 companies as mentors and volunteers through formal employer partnerships, building the cross-cultural awareness and skills of our workforce, and engendering a sense of pride in corporate investments that reflect the value of immigrant integration.

Since 2012, the Celergo/Upwardly Global Partnership has delivered exceptional value both to Celergo and to the highly educated, but under-employed immigrants served through Upwardly Global's program. "Our requirements are hard to find, and when we find them, it becomes a competitive advantage for us. I'm proud to say that Celergo has hired nine UpGlo job seekers into key positions," states Michele Honomichl, Founder, Executive Chairman, & Chief Strategy Officer for Celergo.

"Celergo is proud to partner and support the Upwardly Global organization. The Gala each year is a celebration of the partnership between employers working with Uplgo to ensure that immigrants who come to this country have an opportunity to live out their dreams and reach their ultimate potential. We are looking forward to this year's event and excited to see the representation of so many countries and cultures coming together for a valued purpose as it truly aligns with this year's theme of Passport to Opportunity. I am proud to represent Celergo, and I look forward to the future success of Upwardly Global!" Terry Adams, Director of Compliance for Celergo.

Venue One will host the Gala in what is anticipated to be a spectacular event!
