Dear Friend,

As we begin 2024, I'm entering this year with a renewed sense of optimism and purpose. Over two decades of service, it's that we can't do it alone. Together, we can create a future that embraces diversity and raises up the underrepresented. Join me in making a commitment to make a difference in the lives of immigrants, refugees, and asylees restarting their careers in the U.S.

Upwardly Global's central purpose has always been clear: to contribute to the welcoming and inclusion of newcomers. We are excited to share that they have already hired an Upwardly Global candidate professional immigrants and their families, and influence substantive cultural shifts along with PepsiCo as they continue to build an equitable and inclusive workforce.

The Federal Reserve Bank of Minneapolis recently posted an article on Federal Reserve Bank of Minneapolis Data in New Piece. In the article, they also touch on several initiatives focusing on bringing Upwardly Global's talents to open roles at PepsiCo and walking alongside PepsiCo as they continue to build an equitable and inclusive workforce.

Upwardly Global has launched a new partnership with PepsiCo. The partnership focuses on bringing Upwardly Global's talents to open roles at PepsiCo and walking alongside PepsiCo as they continue to build an equitable and inclusive workforce.

Upwardly Global is nearing an exciting milestone on Facebook; we are just short of reaching 15,000 followers. You can join Upwardly Global to help make a real difference in the lives of immigrants, refugees, and asylees in the region, lifting newcomers into the workforce.

Since 2022, Upwardly Global has offered its tailored career services to organizations in the region, lifting newcomers into the workforce.

In 2022, Illinois introduced a new pathway to full licensure for IMGs, stemming from a 2022 permit program that enabled IMGs to practice medicine amid a healthcare crisis. Roadblocks toward relicensure for internationally trained healthcare professionals are removed.

With Upwardly Global, Lorenzo found purpose, and asylee professionals achieving their career goals. Follow us on Facebook. Learn more about how your organization can become an employer partner.
