Celebrating Immigrant Heritage Year-Round with the Welcome Society

The Welcome Society is a special group of donors that "despite challenges, refugees develop critical skills like adaptability and resilience."

At Upwardly Global, we honor our community's strength and determination to help them overcome barriers and include their talents into the workforce.

Extraordinary Life Experiences

Futures Together initiative, which will aim to serve 25,000 immigrant, refugee, and asylum-seeker families by the end of 2024, has already helped immigrant families rebuild their lives.

Economic Power

Upwardly Global's Economic Power initiative, which aims to dismantle the visible and invisible barriers faced by immigrant women toward economic power and equitable access to the U.S. economy, has helped immigrant women overcome barriers and include their talents into the workforce.
