Get to Know UpGlo Resources

Did you know that the Upwardly Global Learning Platform is accessible to anyone, anywhere, anytime?

Our support is not only reserved for jobseekers who are ready and eligible for our career coaching program. We have valuable resources to help people from all over the world prepare for the U.S. job market, no matter what stage of the process they are in.

Interested? Most of these resources are available through the free **UpGlo Learning Platform**.

We meet jobseekers where they are to navigate the U.S. job market, providing the guidance, resources, and confidence needed to reclaim a career. Our modules offer a strong foundation, and we are proud that more than 35,000 jobseekers have found skill-aligned work with the support of the learning platform, our job coaches, and volunteers.

This month, we're highlighting a few essential skills and insights that help jobseekers get prepared, stand out, and succeed.

Are you or someone you know looking to get back to the job you love? Sign up for the UpGlo Learning Platform today, or share it with someone in your

network who could benefit from these resources.

The Power of Mentorship

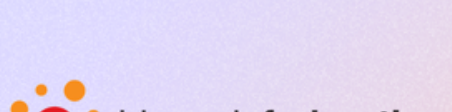

April is National Volunteer Month. Learn how mentorship transforms careers and lives.

The Power of Mentorship

April is **National Volunteer Month**, which is why we want to make sure we celebrate the professionals who help our jobseekers learn the unwritten rules of the U.S. job market, from decoding corporate jargon to building confidence and connections. Newcomers rebuilding their careers in the U.S. can find the job search particularly isolating without a local network to lean on. Upwardly Global's Mentorship Program changes that by pairing jobseekers with volunteers who often become valued confidants and friends. Read how mentorship transforms careers and lives, and **how you can be part of it.**

Rebuilding Careers, Restoring Confidence

In Florida, **Hispanic Federation** and **Upwardly Global** are helping immigrant professionals move beyond survival jobs and back to the careers they've worked so hard to build. Through integrated coaching, career pathways, and upskilling opportunities, participants are gaining confidence, clarity, and real results.

"The program changes their whole perspective," **Freddie Agrait**, Director of Digital Initiatives for Hispanic Federation Florida, says. "They start gaining more confidence; they have hope."
